Thursday, November 11

The abrupt announcement of the unexpected Thanksgiving trip, with all the usual bandwagon, with half the Cabinet etc, instead of Having it in (the lucky ones a week off) not so great the 1st day on Oahu - I got the worst roommate, who also takes vacations in Hawaii, home to the White House (no fun a thing)

1 is visiting me & am afraid to re-capture the mood in a way of "marriage" the means. It followed a "victory" of 2 days that was really a defeat & may have been purchased (2) The first big-league day position by TV (CBS) to perhaps an airing of the pictures (like 4 round table Sunday from) the Fair brought the interviewed very 4 closely (3) a "closed-door grilling" of Secretary in both by two leaders that he was pushed - one of Bush/Sen 5 Republican in whom the was majority leader, & Bow he isn't used to being questioned, so he forgot himself &

Friday, November 12

and the Senate was open the public (people were looking) where Fulb. was 9 in his obliteration of some of Bush's detractors (4) The unanimous vote of anti-adm. for policy legis return by 10 adjourned Senate (5) The first day-hour vote of S. Fin Rel. (a series) where officials were grilled this 11 week AID Adm. Bell which the mild, reflected Services was giving to about. Bell was TVed (CBS) for 12 several hrs (2nd held at 8:30 a.m., by the rest Senate. Then it was announced that Bell would not appear Monday the session was alleged that Security problems.

2 This would be stopped to give a bad effect on the Senators. So announcement take some of the play

3 ~~the~~ away from the Senate Days ??,

But they & Bush forgot what a reading of

4 Allen Drury could have told them. That even

5 the Times Detroit offend the Senate a little H.
